RE: Temporary Closing of Penny Lane

DATE: September 22, 2021

Good morning. The Administrative Office of the City of Opelousas would like to inform the residents on Penny Lane (Subdivision) that on Monday, September 27, 2021, the entrance to your home will be closed to perform work on the culvert at the intersection of McCarthy Lane and Penny Lane. This is much needed work; therefore, we are informing each of you to make plans that will not interfere with your daily routine. These repairs will happen early Monday morning and by days end, the entrance should be open for travel. We are giving early notification so each homeowner can make the necessary arrangements for that day. We apologize for the inconvenience, but all these repairs must be performed before further structural damage occurs and the road has to be closed longer than needed. We will notify the media as well. We thank you for your understanding.
